We will send a text/email with a link to our cut instructions to your customers once the animal is received, customers can also find the cut sheet on our website: heritagecountrymeats.com . If we do not receive a cut sheet from a customer within 5 business days we will notify the farmer and cut their order "Standard". Once the orders are all cut we will notify each customer to schedule a pickup time.

Per **USDA** Regulation: All livestock must be antibiotic free! Any animals deemed over 30 months of age (based on their teeth) will automatically have boneless steaks.

All Cut instructions are subject to change without notice for reasons such as: abscess, damage, bruising, cattle being over 30 months, etc. Meat cutters will do their best to accommodate cut instruction requests.
